

Falcon Farmers aka "The Worms"

School Garden Club

Mrs. Collie's email: collieelizabeth@coventryschools.net

ASFMS has a club for kids interested in growing plants outdoors! All students welcome*

We meet **Tuesdays** at 2:30 in Room 334

Come prepared to be outside! If the ~~weather~~ weather is wet, we will do indoor projects.

This fall we:

planted garlic for next summer

Cleaned out the pollinator patch

We are starting greens "under the hoops"

& growing some herbs in small pots

And lots more, possibly even some guerrilla gardening!

Join us!

*Parent volunteers welcome. Please have a BCI check on file with the school.
