

ASFMS Boys Soccer 2017-18

Tryouts will begin on **Wednesday, Aug. 30th** for all boys interested in being part of this year's team. Tryouts will run for several days, and players are required to attend all sessions. There will be a series of cuts, dictated by how many students try out. Players are expected to have a ride home at the conclusion of practice. They may not "hang out" at the school. During tryouts, in addition to evaluating their skill level, an emphasis will be placed on the physicality of the players. Players need to be able to run for 15-20 minutes without stopping (~ 2 miles) and be physical on the ball in possession and when challenging for it.
