Dear Parents:

The Rhode Island Department of Education is currently administering its yearly SurveyWorks Parent Survey, which is an opportunity for parents to provide feedback about our school and our children's opportunities to learn. The survey results are most useful when all parents participate, so I am writing to ask you to participate in this survey.

Your views on matters like the safety of your child at school, the way students are taught, the condition of the school, and how connected you feel to this school are important. By taking this short survey you can help our school leadership and our parent-teacher organization to make improvements to our school. Responses are anonymous and cannot be linked to any individual; no one can tie your responses back to you.

You can take the short survey online between January 29th and February 9th. To take the survey, visit: surveys.panoramaed.com/ride and enter **06104family**. If you don't have access to the Internet, please contact Lisa Goodwin, Assistant Principal to access a paper survey. You may also come in to school and complete the survey online in the main office.

Thank you,

Joseph Lucian, Principal
