This Advisory Committee is designed to run as a pro-active collaborative partnership between parents of children with special needs, students, special education teachers/staff, and general education teachers, Administrators and other community members are welcome who are committed to enhancing the quality of education for children with special needs within the district, which will ultimately benefit all children within the district.

The LAC formally meets (4) times per year. We will be meeting on:

from 6:30-8:30pm at Coventry's Administration Bldg 1675 Flat River Rd. This year the LAC will also collaborate with other city/town advisory committees to introduce families to other services and information available. Specific dates will be posted on our Special Education Advisory Committee link at www.coventryschools.net. All meetings are open to the public and are advertised in local papers.

We welcome your participation at our meetings and hope that you will consider joining us in our effort to improve the quality of education for all children in the district. In addition to the impact that we can have for our children's education, the committee is a great way to network with other parents in the community and to learn about special education issues and resources.

Formal membership requires your attendance at meetings. There is no monetary fee for your membership we are primarily interested in your participation.
