

## Key Objectives

To provide a resource for parents, educators and the Coventry community for children with special needs.

To promote a network for caregivers of children with special needs, educators and community members to share information and discuss matters of interest and concern regarding our children.

To develop programs and communication within the community to encourage understanding, acceptance and inclusion to students of special needs.

## What We Do

- **Inform parents about special education issues and encourage their support**
- **Disseminate information on state and federal education issues.**
- **Sponsor a variety of training courses in conjunction with several agencies.**
- **Provide a forum for parent information and support.**
- **Act as a local resource for families with concerns about their child's educational needs.**
